

Herbolyte™ Plus

1.44 - 0 - 0.54 *the ideal Liquid Adjuvant and Micronutrient blend*

- Contains a blend of micronutrients
- Promotes herbicide uptake (such as glyphosate)
- Can be mixed with other foliar plant nutrients
- Modifies solution pH and water hardness
- Improves pesticide efficiency
- Easy to mix

GENERAL INFORMATION:

Herbolyte Plus is designed to enhance herbicide performance by modifying spray solution pH, water hardness and supplying a balanced blend of micronutrient. The ingredient blend in Herbolyte Plus has been found to promote herbicide uptake (such as glyphosate) in agriculture applications. Herbolyte Plus is designed to be used with glyphosate products without the adjuvant additions.

The advantage of using Herbolyte Plus is faster burn down of weeds, crop stays actively growing after glyphosate application and the micronutrient blend assures adequate micronutrients are available for the crop.

RECOMMENDED USAGE RATES

Herbolyte Plus usage rate is 16 ounces per acre. Refer to herbicide label for application timing. Add Herbolyte Plus to spray carrier before the addition of glyphosate products (follow label rates for herbicide use).

SHAKE WELL BEFORE USING.

GUARANTEED ANALYSIS:

Nitrogen (N)	1.44%
1.44% Urea Nitrogen	
Soluble Potash (K ₂ O)	0.54%
Boron (B)	0.03%

IMPORTANT NOTICE TO PURCHASER:

Seller's and manufacturer's only obligation to a purchaser or user of this product shall be to refund the purchase price, or to replace the quantity purchased, of any defective product. In no event shall Seller or manufacturer be liable to a purchaser or user of this product for any claim for any economic, indirect, special, incidental or consequential damages, or for any injury, loss or damage, direct or indirect, to any person or property. Purchaser of this bag of fertilizer material expressly acknowledges and agrees to these terms.

CAUTION: This product contains boron and should be used only as recommended. The use of this fertilizer on any crop(s) other than those recommended may result in serious injury to the crop(s). **Warning:** This product contains Molybdenum and is for use on soils that respond to Molybdenum. Crops high in Molybdenum are toxic to grazing animals (ruminants). Do not exceed the recommended rate.

KEEP OUT OF REACH OF CHILDREN AND ANIMALS.
